1. Classification Abstraction

*There are **bridges** on the **rivers**,
As pretty as you please;
But the **bow** that bridges **heaven**,
And overtops the **trees**,
And builds a **road** from **earth** to **sky**,
Is prettier far than these.*

4. Generalization Abstraction

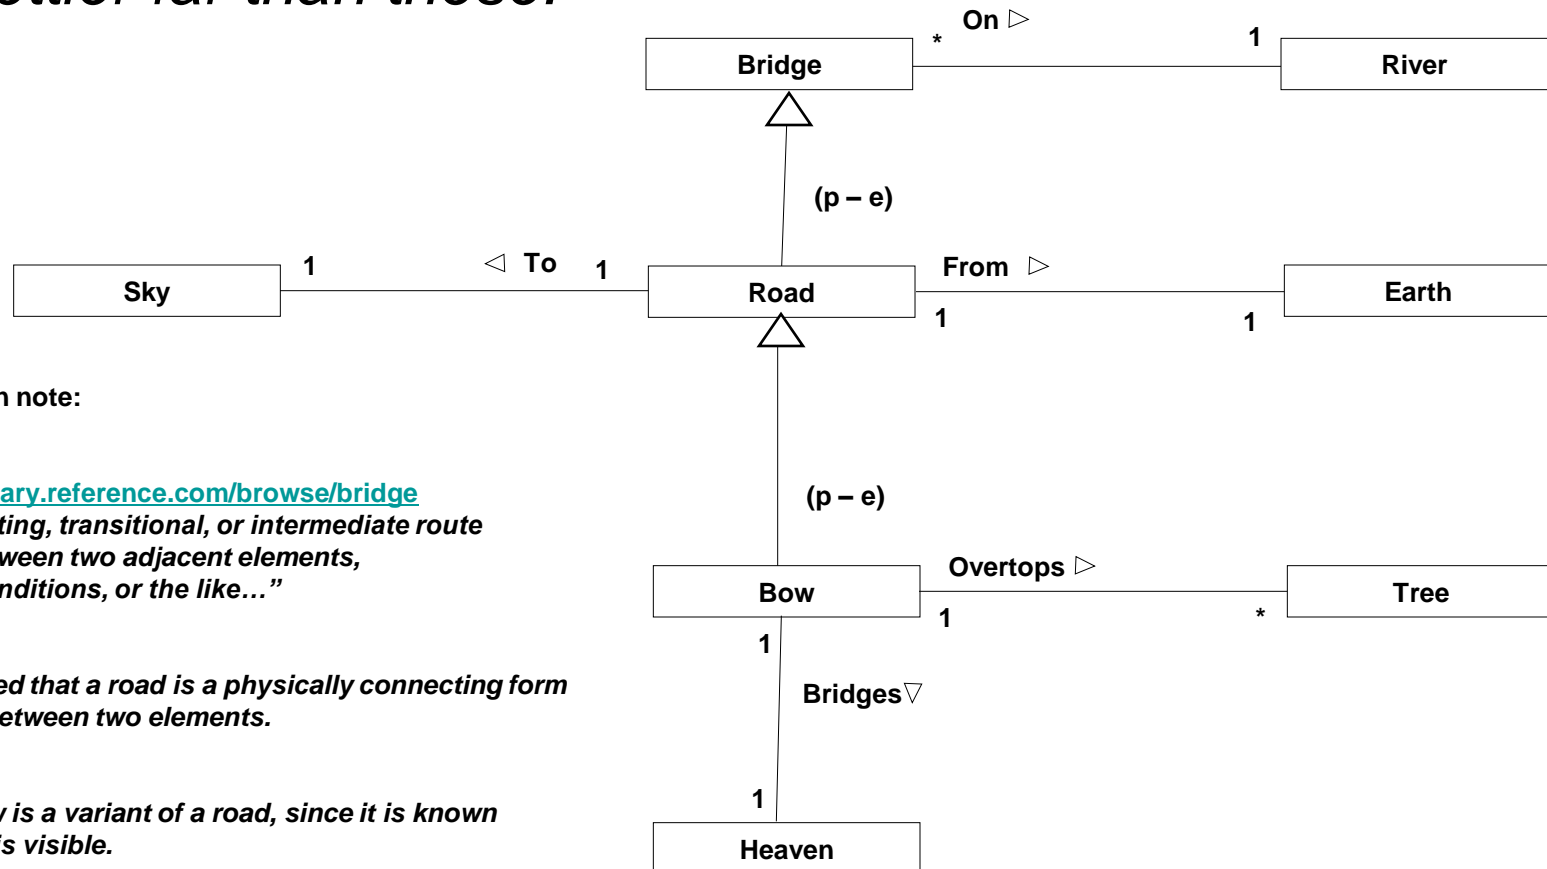

Interpretation note:

It is possible to generalize the boat and ship into a 'sea vessel' category, but I found that this was just an over-complication that didn't provide any increase in connectivity. If this specification were to be more in-depth, or require expansion later, then it might have been more reasonable to generalize boat and ship.
